interview

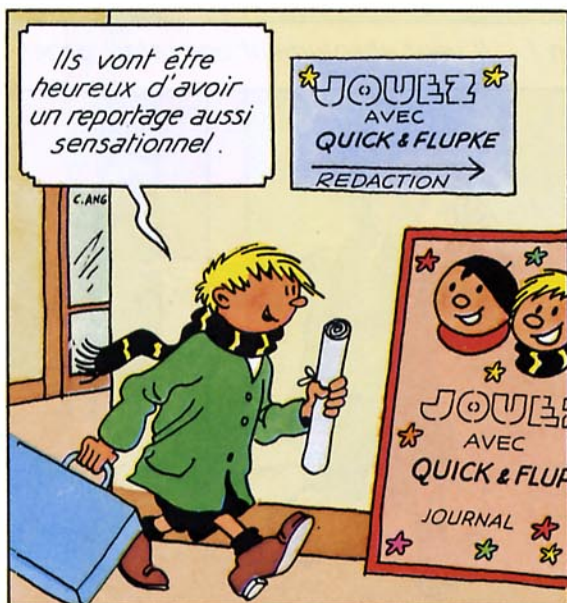

Tiens ! Tiens ! Très curieux !... Et de quoi vous nourrissez-vous ?...

Oh !... Je ne suis pas un grand mangeur !... Le matin , je fais un léger repas : un millier de saumons . Le midi , je prends une légère collation : deux ou trois baleines , de petite taille ... et le soir , encore quelques milliers de saumons comme dessert , un chalutier avec son équipage ...

Bon ! Je vous remercie... Et quels sports préférez-vous ?...

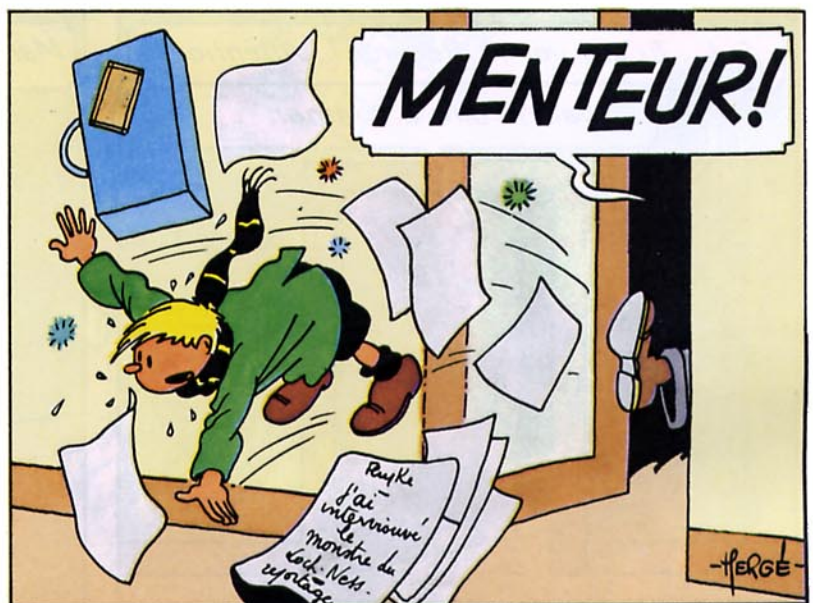

Sans aucun doute , c'est vers l'alpinisme que vont mes préférences . Quelle joie de se livrer à ce beau sport et d'escalader les pics sous-profondeur . J'aime également beaucoup la balle au tamis , mais depuis que mon collègue , le monstre de Querqueville est mort , je n'ai plus de partenaire ...

Ils vont être heureux d'avoir un reportage aussi sensationnel .

police secrète

Fous de rage, les deux autres me visèrent avec soin... J'étais mort!... Lorsqu'une tache claire passa entre nous...

Des coups de feu claquèrent, des cris... Des hurlements... je fermai les yeux...

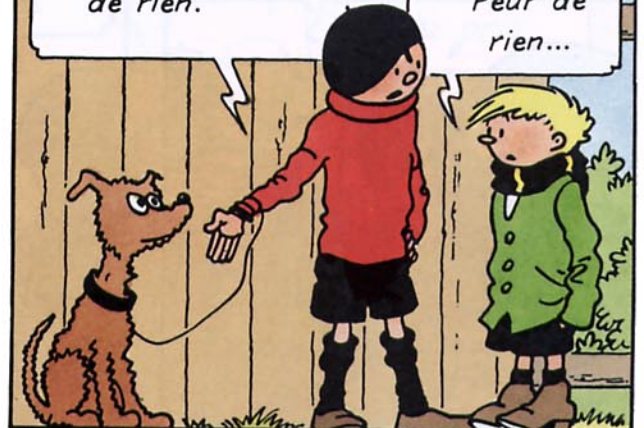

Lorsque je les rouvris, Dick, calmement assis, me regardait. Tout seul, il avait mis en pièces les deux bandits qui m'avaient attaqué...

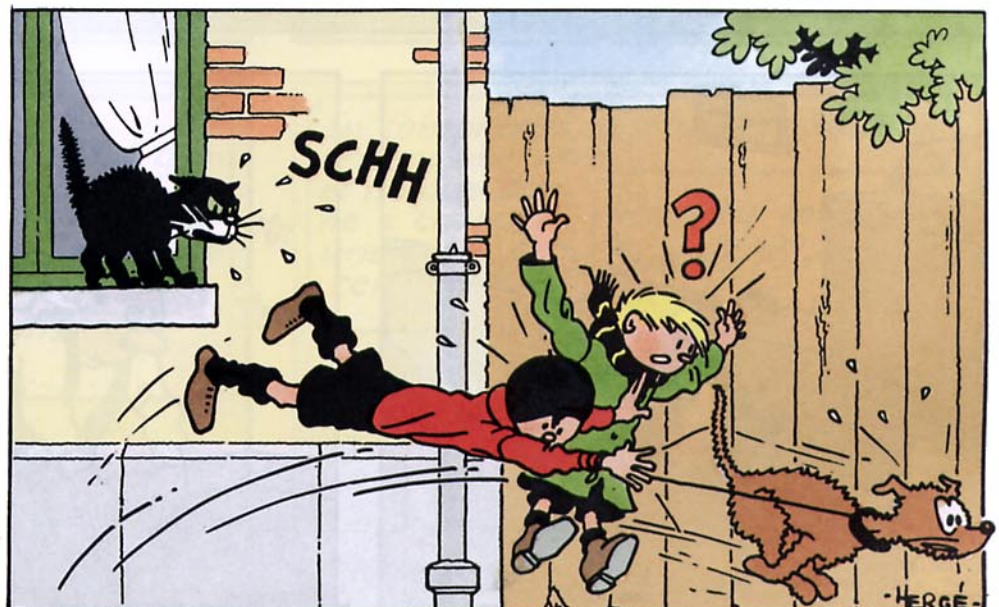

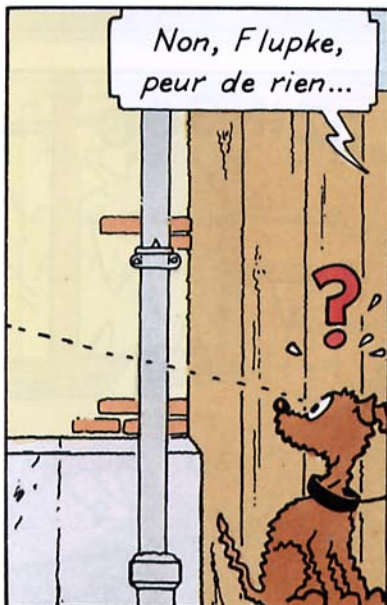

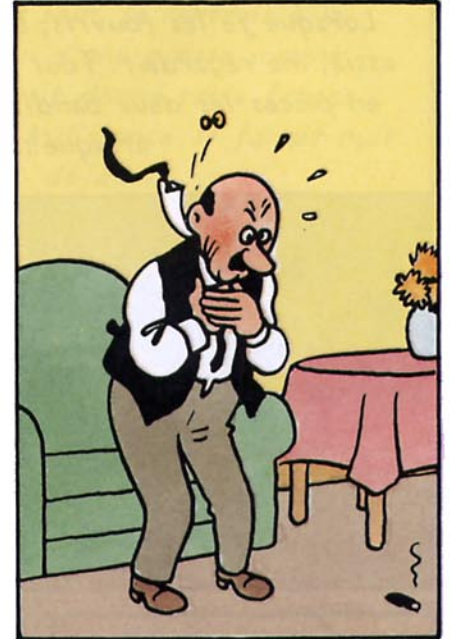

Oui, mon vieux, Dick m'a sauvé la vie au péril de la sienne; c'est un chien qui n'a peur de rien.

Peur de rien...

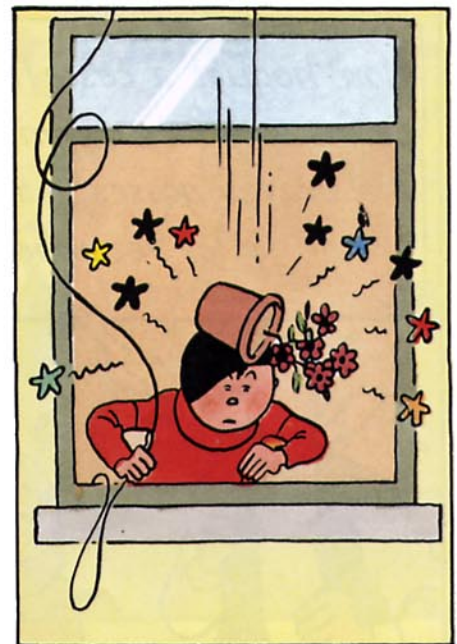

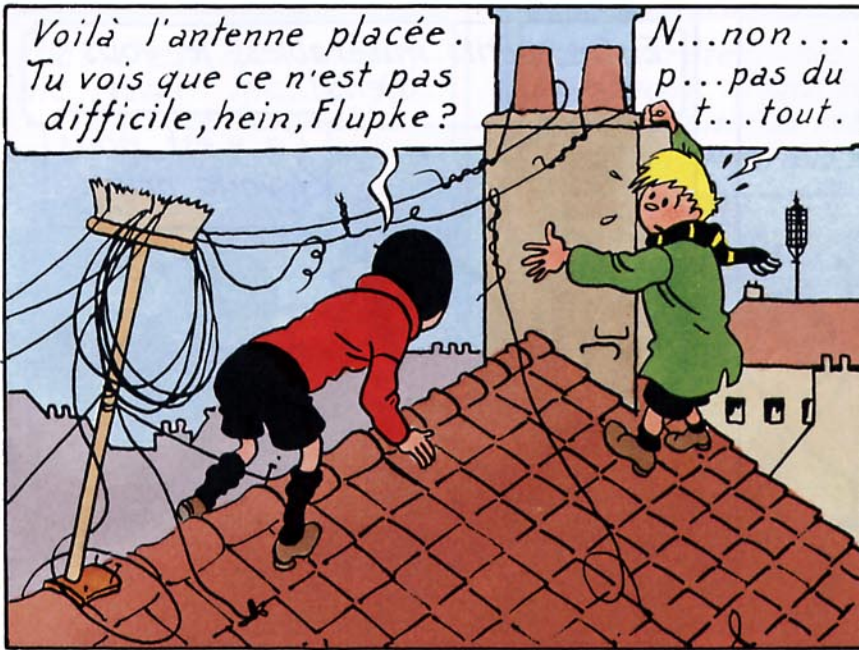

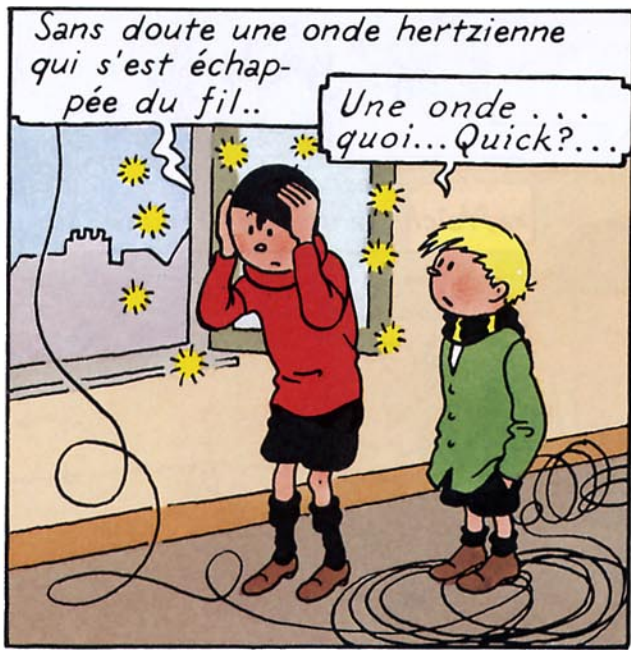

Non, Flupke, peur de rien...

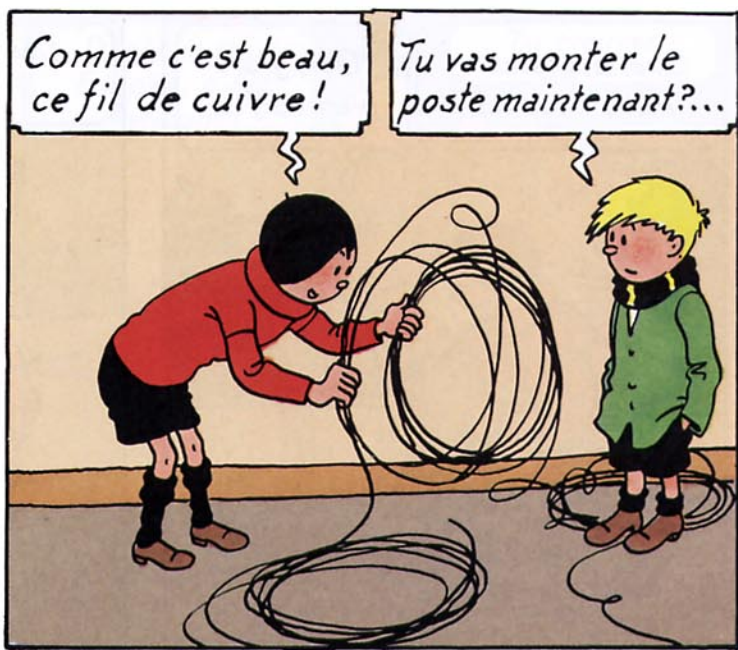

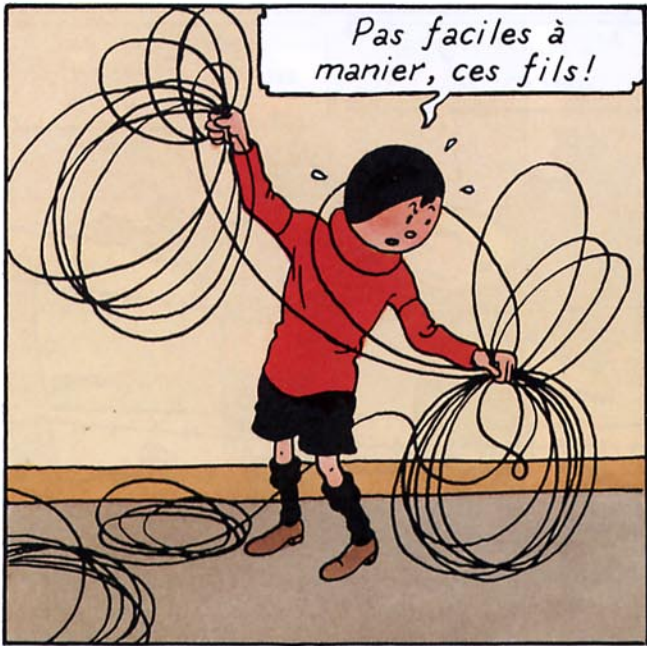

Sans doute une onde hertzienne qui s'est échappée du fil..

Une onde... quoi... Quick?...

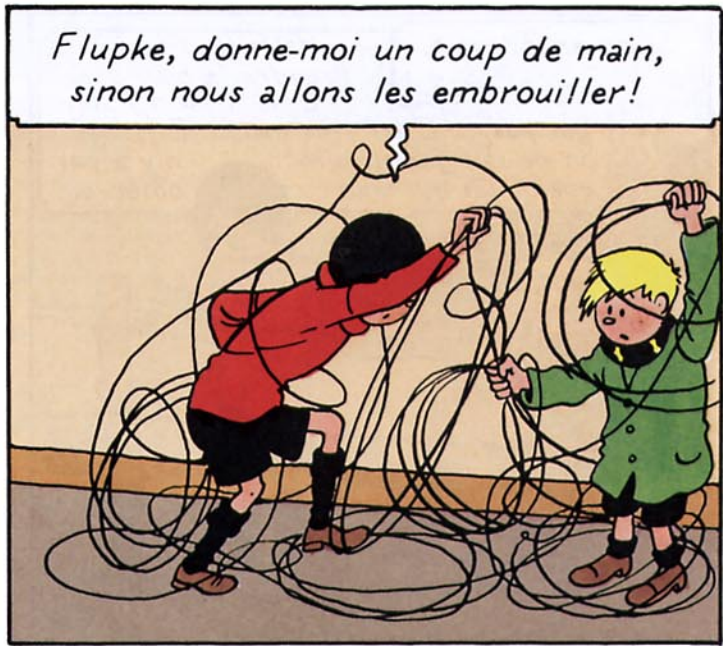

Comme c'est beau, ce fil de cuivre!

Tu vas monter le poste maintenant?...

Pas faciles à manier, ces fils!

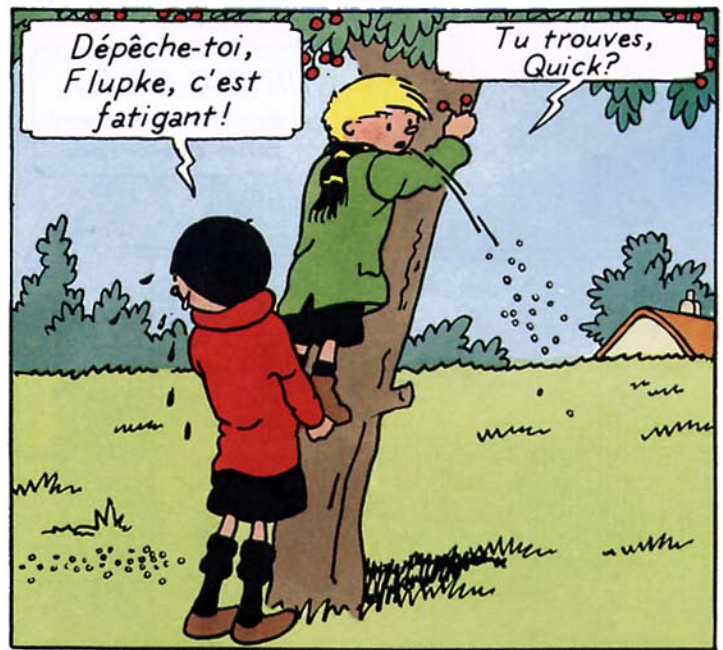

Flupke, donne-moi un coup de main, sinon nous allons les embrouiller!

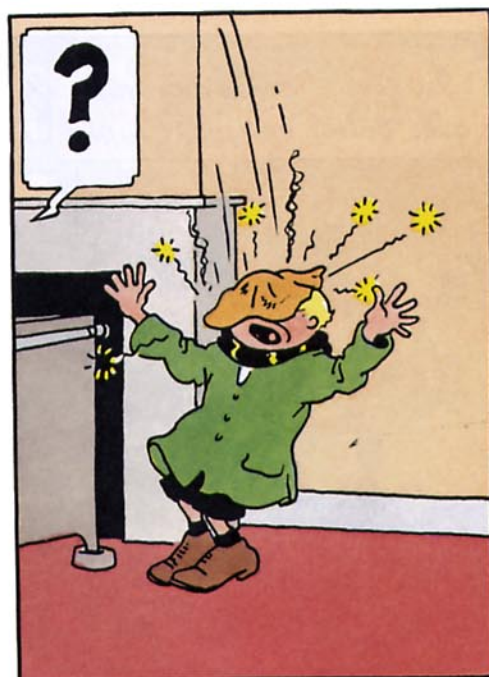

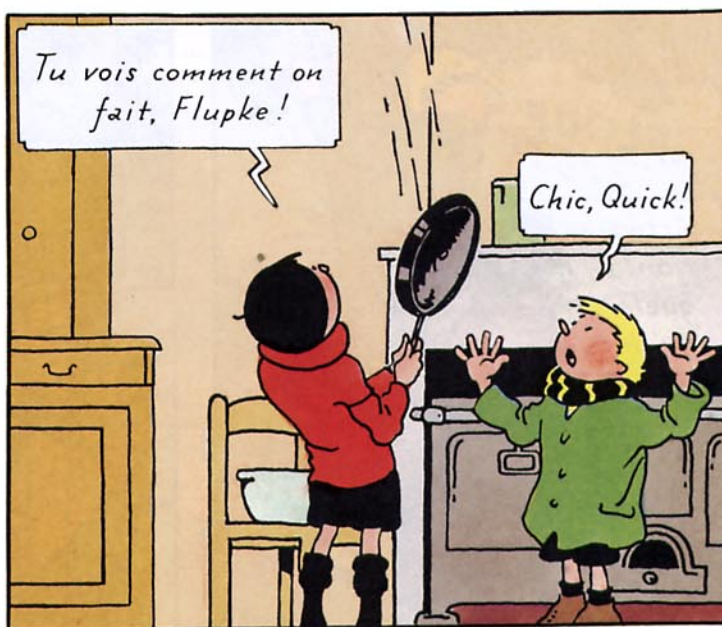

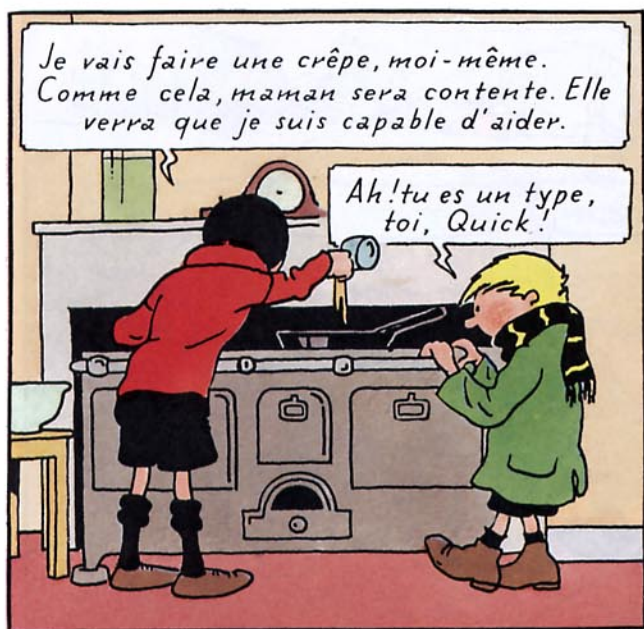

Mais, Quick, si c'est "ça" de la télégraphie "sans" fil, je me demande comment font les gens qui montent un poste de télégraphie "avec" fil?...
